FEATURES AND FUNCTIONALITY

13. Mobile-friendly responsive design.
14. Contact form for direct communication.
15. Option to add project images, links, and certificates.

RESULTS AND SCREENSHOTS

A screenshot of a portfolio website. The header is pink with white text: "Hello, I'm P.anandhi" and "A passionate student learning web development". A "View My Work" button is present. The main content area has a white background. It features a "About Me" section with a small profile picture of a person, followed by a paragraph of text about the author's passion for technology and design. Below this is a "My Projects" section with three cards: "Project 1" (Portfolio website), "Project 2" (Task manager app.), and "Project 3" (Weather dashboard). The footer is black with white text: "Contact Me", "Your Name" input field, "Your Email" input field, "Description" input field, and a "Send" button. At the very bottom is a copyright notice: "© 2025 P.anandhi | All rights reserved".

RESULTS AND SCREENSHOTS (cont.)

16. Portfolio successfully created with modern UI.
17. Screenshots show Home, Projects, and Contact pages working properly.

CONCLUSION

18. The project helps students present themselves professionally and improves their chances in placements and opportunities..
